Summer Holiday Home Work 2017-18

Dear Parents

Vacations are the most awaited days for students. The juicy mangoes, long days to visit relatives and different tourist spots entice students to drench themselves with endless fun. To make these days more fruitful we are organizing Leeds Summer Camp- 2017 and are giving a bunch of homework for the holidays. For classes V and above there will be an Integrated Project also. You are requested to encourage and help your ward to understand and complete the given assignments.

Integrated Project Title : Sustainable Tourism for Development.

The project should be made in A4 size papers and presented in a stick file. The front page should be self designed. It should be followed by contents, Acknowledgement, Introduction, Subject wise contents and bibliography.
